Risk Warning: Smart Contracts and Digital Assets

Trading with smart contracts, decentralized protocols, and digital assets carries a high level of risk due to extreme market volatility, the technical complexity of blockchain architecture, and the irreversible nature of transactions, which can result in the total loss of deposited funds. You also accept that, as there are no intermediaries or central authorities, you are solely responsible for the security of your private keys and the decisions you make; therefore, it is imperative that you fully understand the technological risks.

Last updated: [October 2025] 1. Introduction This Cookie Policy clearly and transparently describes how Inverza Smart (hereinafter, the “Platform”) uses cookies and similar technologies on its website, applications and associated digital environments.

This Policy is issued in accordance with the Terms and Conditions, Privacy Notice, Data Retention Policy, Privacy Policies and Inverza Smart's technological framework, based on digital infrastructure, blockchain and Smart Contracts.

2. What are cookies?

Cookies are small data files that are stored on the user's device when they access a website or application. They allow the device to be recognized, relevant information to be remembered, and digital services to function correctly. Cookies do not access private information on the device, nor do they allow the device to be controlled independently.

3. Types of Cookies Used

Inverza Smart may use the following categories of cookies:

3.1 Technical or Necessary Cookies

They are essential for the Platform to function and allow:

- Secure navigation through the website or application.
- Access to protected areas. User authentication.
- Prevention of unauthorized access and fraud.
-

Without these cookies, certain functionalities might not operate correctly.

3.2 Functionality Cookies

They allow us to remember user preferences and improve their experience, such as:

- . Selected language. Regional
- . settings. Display preferences.
- .

3.3 Analytical or Performance Cookies

These cookies collect aggregated and anonymous information about the use of the Platform, allowing:

- . Analyze browsing patterns. Identify technical
- . errors. Improve system performance and stability.
- .

The information collected is not used to personally identify the User.

3.4 Security Cookies

They are used for:

- . Detect anomalous behavior. Protect system integrity.
- . Prevent unauthorized access, abuse, or attacks.
- .

These cookies are part of the security measures of the Inverza Smart ecosystem.

4. Use of Similar Technologies

In addition to cookies, the Platform may use similar technologies such as:

- . Browser local storage. Session tokens. Temporary
- . technical identifiers.
- .

These technologies are used exclusively for technical, operational, and security purposes.

5. Cookies and Blockchain Technology

Inverza Smart clarifies that:

- . Cookies do not store private keys, seed phrases, or blockchain credentials. Operations
- . executed using smart contracts do not rely on cookies.

- Information recorded on blockchain is independent of the use of cookies and is governed by its own immutable nature.

6. Cookie Management and Configuration

Users can manage, block, or delete cookies through their browser or device settings. However, disabling certain cookies may affect the proper functioning of the Platform. By continuing to browse or use the Platform without changing their settings, users agree to the use of cookies in accordance with this Policy.

7. Third-Party Cookies

Inverza Smart may use cookies from third-party technology or analytics providers, always adhering to strict security, confidentiality, and data minimization criteria. These cookies are used solely for technical, analytical, or service improvement purposes, and not for intrusive advertising or the sale of personal data.

8. Information Preservation

Information collected through cookies will be retained for as long as necessary to fulfill its specific purpose and in accordance with Inverza Smart's Data Retention Policy. Cookies may be temporary (session) or persistent, depending on their function.

9. Cookie Policy Update

Inverza Smart may modify or update this Cookie Policy at any time due to technological changes, operational improvements, or adjustments in the use of digital tools. The current version will be available through the Platform's official channels.

10. Acceptance

The use of the Inverza Smart website, applications or digital platforms implies knowledge and acceptance of this Cookies Policy, which is an integral part of the Platform's documentary framework.
